

SERVICE SCHEDULE – MICROSOFT CLOUD SERVICES

This Service Schedule (including the Annexes (if any)) sets out the Service Description and Service Levels that apply to the Microsoft Cloud Services.

1 SERVICE DESCRIPTION

- 1.1 This Service Schedule sets out the service specific terms of the Microsoft Cloud Service(s).
- 1.2 The Microsoft Cloud Services are not available to Telstra Wholesale customers or for resale.

2 TERM

- 2.1 You may subscribe to Microsoft Cloud Services on:
 - (a) a month-to-month basis; or
 - (b) an annual basis.
- 2.2 The term will apply to all User Licences under the subscription.
- 2.3 Unless you notify us that you do not wish your Microsoft Cloud Service subscription to renew, your subscription will automatically renew at the end of each term:
 - (a) monthly if you subscribe on a month-to-month basis; or
 - (b) for a further 12 months if you subscribe on an annual basis.

We will notify you reasonably in advance prior to your annual subscription renews. After your service has renewed, you can terminate your service at any time in which case we will not charge you the standard early termination charges for your service (if any), but we may charge you an amount equal to the actual third party costs and expenses that we have incurred or committed to in anticipation of providing the service to you and that cannot be reasonably avoided by us as a result of the termination. If we fail to provide you with reasonable advance notice, you may terminate your service at any time after your service has renewed without having to pay any early termination charges (including the charges contemplated in the previous sentence).

- 2.4 You may have a mix of annual and monthly subscriptions for the same Microsoft Cloud Services, but each subscription will have its own renewal dates.
- 2.5 You have a period of 7 days from the time your order is placed or renewed (Change Window) to cancel your monthly or annual subscription by informing your account manager or sales representative (collectively **Sales Reps**).
- 2.6 You can move from monthly to annual at any time, but you can only move from annual to monthly at the time of renewal.
- 2.7 Add-ons must be purchased for the same term type as the underlying Microsoft Cloud Service.

3 CHARGES

- 3.1 For monthly subscriptions, we will charge you per calendar month in advance.
- 3.2 For annual subscriptions, you may elect to pay annually in advance or monthly in advance.
- 3.3 Charges will be pro-rated at the start and end of the subscription term.
- 3.4 User Licence fees are fixed for the term but may be subject to change at the time of renewal. We will notify you at least 30 days in advance of any price changes.
- 3.5 With respect to consumption based subscriptions (Azure consumption), we will charge you monthly and in arrears.

4 CHANGING LICENSE NUMBERS

- 4.1 If you wish to increase the number of User Licences for your Microsoft Cloud Service subscription, your customer administrator, Sales Reps or support partner will be able to do this at any time. Any additional User Licences will be included in your existing subscription and will be co-terminus with your existing User Licences

SERVICE SCHEDULE – MICROSOFT CLOUD SERVICES

(unless otherwise agreed in writing between the parties). The Change Window does not apply to User Licences added mid-term. The additional User Licences will be charged at the same price as the other User Licences under the subscription.

- 4.2 You can decrease the number of User Licences under your subscription during the Change Window at renewal only. You may do so by informing your Sales Reps and we will provide a pro-rate refund less any days used. If you want to reduce User Licences during the Change Window at the time of first purchase, you need to cancel the subscription and place a new order for the required User Licences.
- 4.3 If you wish to decrease the number of User Licences under your subscription after the Change Window, changes will not take effect until renewal of your subscription term and you will be charged for the full subscription term.

5 TERMINATION

- 5.1 If you wish to terminate your subscription to any Microsoft Cloud Service, you may provide 30 days' prior written notice to your Sales Reps.
- 5.2 If you cancel your subscription within the Change Window, we will provide a pro-rata refund less any days used.
- 5.3 Once the Change Window has expired, any cancellation requests will be scheduled for the end of the current subscription term. You will be billed for the remainder of the subscription term and will continue to have access to your subscription until it expires.
